# **1 Soccer Zone**

Soccer Zone will be an application that will have soccer/football equipment including shoes, footballs, socks, gloves, and football kits from various brands that the user will be able to browse through and buy online.

## **2 Target Audience**

Soccer Zone application will be targeting 12 to 30 years old who play football.

## **3 Features**

Soccer Zone will have the following features:

### **3.1 Sign-up**

Soccer Zone will have a sign-up page where user will provide details such as name, age, email, mobile number etc.

### **3.2 Login**

Soccer Zone will have a login page where user can login either with email or mobile number.

### **3.3 Search Based on a Specific Brand**

Using Soccer Zone application, a user can search different products based on a specific brand.

### **3.4 Search Based on Specific Equipment**

Using Soccer Zone application, a user can search different products based on a specific equipment type.

### **3.5 View Purchase History**

Soccer Zone will save purchase history of a specific user in its local storage so that user can check their purchase history at any time regardless of internet.

### **3.6 View Offers/Deals**

Using Soccer Zone application, a user can find multiple deals there and can purchase what suits best to them.

### **3.7 Place Order**

Soccer Zone will allow its users to add multiple equipment in the cart to place an order.

### **3.8 Provide Different Payment Methods**

Soccer Zone will allow its users to pay for its order via different method like credit card, PayPal etc.

### **3.9 Periodic Notifications Regarding Deals and New Arrivals**

Soccer Zone will pop-up weekly notifications at user's screen to notify them regarding different weekly deals and new arrivals.
